This is your application for health coverage if you live in Massachusetts, your income is at or below 400% of the federal poverty level, and you

- are 65 years of age or older;
- are not otherwise eligible for MassHealth;
- are not getting Medicare; and
- do not have access to an affordable health plan that meets the minimum value requirement.*

* Minimum value requirement means that the health insurance plan pays at least 60% of the total health insurance costs of the average enrollee.

The Health Connector uses Modified Adjusted Gross Income (MAGI) rules to determine eligibility. See the Senior Guide for more information.

WHAT YOU NEED WHEN YOU APPLY

The following **MUST** be sent with the application when applying for MassHealth, the Health Safety Net, and the Massachusetts Health Connector

SOCIAL SECURITY NUMBER (SSN)

You must give us an SSN or proof that one has been applied for every household member who is applying, unless one of the following exceptions applies.

- You or any household member has a religious exemption as described in federal law.
- You or any household member is eligible only for a nonwork SSN.
- You or any household member is not eligible for an SSN.

Unless an exception applies, **we need SSNs for all persons applying** for health coverage. **An SSN is optional for persons not applying for health coverage, but giving us an SSN can speed up the application process.** We use SSNs to check income and other information to see who is eligible for help with health coverage costs. If someone does not have an SSN or needs help getting one, call the Social Security Administration at (800) 772-1213, TTY: (800) 325-0778, or go to www.socialsecurity.gov. Please see the Senior Guide for more information.

PROOF OF CITIZENSHIP/NATIONAL STATUS

We will try to verify this information through electronic data matches. We will notify you if we need further proof. It may speed up the processing of your application if you send proof of these items with it.

- Proof of U.S. citizenship/national status and proof of identity, such as U.S. passports or U.S. naturalization papers. You can also prove U.S. citizenship with a U.S. public birth certificate. You can also prove identity with a driver's license or some other form of government-issued card. We may be able to prove your identity through the Massachusetts Registry of Motor Vehicles records if you have a Massachusetts driver's license or a Massachusetts ID card. Once you give MassHealth proof of your U.S. citizenship/national status and identity, you will not have to give us this proof again. You must give us proof of identity for all household members who are applying. **Seniors and disabled persons who get or can get Medicare or Supplemental Security Income (SSI), or disabled persons who get Social Security Disability (SSDI), do not have to give proof of their U.S. citizenship/national status and identity.**

WHY WE ASK FOR THIS INFORMATION

We ask about income and other information to let you know what coverage you qualify for and if you can get any help paying for it. **We will keep all the information you provide private and secure, as required by law.** To view the Health Connector's privacy policy, go to mahealthconnector.org. To view MassHealth's privacy policy, go to www.mass.gov/service-details/masshealth-member-privacy-information.

WHAT HAPPENS NEXT and WHERE TO GET HELP

When we get your filled-out, signed, and dated application, we will review it. If we need more information, we will write or call you. Once we get what we need, we will make a decision about your eligibility and send you a written notice. If you are eligible for MassHealth, show this notice right away to any health care provider if you have paid for medical services that would be covered by MassHealth during your eligibility period. If the health care provider determines that MassHealth will pay for these services, the provider will refund what you paid.

If you need more information about how to apply, or if you need another copy of **Supplement C: Personal-Care Attendant** for your spouse who is also applying, call us at **(800) 841-2900**, TTY: (800) 497-4648. This application is available in Spanish. Please call the number above to request one.

If you have any questions about any form or the information you need to send, please call us at **(800) 841-2900**, TTY: (800) 497-4648.

Health Connector Programs
 Health coverage through the Massachusetts Health Connector is not MassHealth. If you have Medicare, you will not be eligible for any cost sharing or Advance Premium Tax Credits, and you cannot purchase a plan through the Health Connector, unless you were enrolled in a Health Connector plan when you became eligible for Medicare. The only time you should apply for Health Connector programs if you have Medicare is if you are not enrolled in Medicare yet but would have to pay for your Medicare Part A premium. In this case, you may be eligible for a Health Connector plan.

You or a representative can sign for yourself and for any of your dependent children under the age of 18 for whom you are the custodial parent. **You are not required to have a representative in order to apply for or receive benefits.**

Who can help me?

1. An authorized representative can be a friend, family member, relative, or other person or organization of your choosing who agrees to help you. It is up to you to choose an authorized representative if you want one. Neither MassHealth nor the Health Connector will choose an authorized representative for you. You must designate in writing (fill out Section I, Part A) the person or organization who you want to be your authorized representative. Your authorized representative must also fill out Section I, Part B. We sometimes refer to this person or organization as a "Section I authorized representative."
2. If you cannot designate an authorized representative in writing and you do not have an existing authorized representative or other person who is authorized by law to act on your behalf, a person (not an organization) who certifies that he or she will act responsibly on your behalf can be your authorized representative if that person fills out Section II of this form. We sometimes refer to this person as a "Section II authorized representative."
3. An authorized representative can also be someone who has been appointed by law to act on your behalf, or on behalf of the estate of an applicant or member who has died. This person must fill out Section III and either you or this person must submit to us, together with this form, a copy of the applicable legal document stating that this person has authority to represent you, or the estate of a deceased applicant or member. We sometimes refer to this person as a "Section III authorized representative."
4. A **Section III** authorized representative may be a legal guardian, conservator, holder of power of attorney, or health care proxy, or, if the applicant or member has died, the personal representative of the estate.

What can an authorized representative do?

A **Section I** or **II** authorized representative may

- fill out your application or renewal forms;
- fill out other MassHealth or Health Connector eligibility or enrollment forms;
- give proof of information reported on these forms;
- report changes in income, address, or other circumstances;
- get copies of all of your MassHealth and Health Connector eligibility and enrollment notices; and
- act on your behalf in all other matters with MassHealth and the Health Connector.

What a **Section III** authorized representative is authorized to do for you (or for the estate of a deceased applicant or member) will depend on the wording of the legal appointment.

Please note: Eligibility notices may include information about other members of an applicant's or member's household. If there are multiple people in your household we may not be able to send copies of some of your notices to your authorized representative unless each household member has also designated the same authorized representative by completing a separate Authorized Representative Designation Form.
